## EXPERIENCE

### Freelance Graphic Design

December 2018 - Present

Create branding packages for local businesses and organizations using the Adobe suite.

### 3D Printing & CAD Modelling Service

September 2017 - Present

Model various solutions, replacement pieces and trinkets using Solidworks CAD software. The models can also be 3D printed per customer request.

### FIRST Robotics Team — Sub Team Leader

August 2017 - Present

Member of the FIRST Robotics team 2702 Rebels. As sub team leader my responsibilities consisted of leading and teaching students through the design and manufacturing process of robotic systems.

### Ontario Esports Federation — Chief Brand Officer

January 2019 - Present

Responsible for leading a team of designers in creating content for social media posts and advertisements, creating a brand personality and strategic vision for the future of the organization.

## EDUCATION

### Cameron Heights Collegiate Institute, Kitchener
